

Central Queensland Offroad Club Inc

Bulletin 162 - February 2009

Leaving here about 6:30 on Thursday night (with lightening in the summer skies) we proceed to Mobil to fuel up, grab some nibbles, and hit the wide open road. When we got the Wowan the skies lit up violently with lightening strikes that seemed to last forever. There where high winds & some rain. We passed the storm & really set sail.

Our tea at Banana will probably be my last there, mind you when I drive through I always stopped at that servo. The road between Banana & Miles was nearly empty & we were able to set a good time, out of fuel already, we stopped & refuelled, cleaned lights & windscreen. Got more nibbles & at this time Carl was at the wheel (a little slower then I) he nervously pushed through to the Windi, it was about 4° outside. More fuel & confronted with that he wouldn't surrender the wheel, I was positioned in the passenger seat until we stopped for a toilet break, not long after day light we pulled up out front of the Royal Hotel. No one was around for a while the girls laid out in the car to catch up on some much needed sleep. Carl & I looked at some of the comp trucks as I had the first of several beers (bed came hours later and it was great). I found out that a few rocky boys had a really big night & there was going to be some sore & sorry soles this day.

FRIDAY

Friday arvo saw us out at the property mid arvo to run around & try to find the best spots for filming. The tracks chosen by Dave were very similar to last years. Ss 2 & SS3 were the same tracks. Billy Gettas had the biggest & baddest drive of the night taking out the corner tree- bunting & gate on the way up (Care factor zero). A couple of cars had small problems but all'n'all it was a quick night, finishing bout 10:30-11. Everyone awaited the arrival of Russel Mason & his winch (nothing better than a 3'som) he didn't winch long enough for the motors to even get warm it was that quick. Fair Dinkin' Kingy hooked it up, Russ took up the tension & if you blinked u just about missed it. At the pub after with the night's footage, all competitors cheered & ribbed others of success or problems.

SATURDAY

Saturday morning saw a beautiful clear fresh morning, few spectators & a lot of happy soles to be there. The first rocky car with problems was Duksy, I think. With a blown left CV & on SS4 still winching hill and pressing on to the punch point, taking a 5 point turn & back to a downhill winch-face the near vertical wall- run winch cable out & go (I am sorry for getting it all on tape) the left wheel locking up at the top saw the Shorty turn half side on to the hill the rears come right up & the winch nowhere near fast enough, I don't know how but it turned enough & landed on all 4 wheels. Saying I had a trouble free day

stirring up the dust everywhere as I was running from stage to stage, I had done more miles then last year. Swaffy could be heard everywhere and everyone loved it. I missed it but CJ had a big drive on SS8 & stood his patrol on its spare tyre. Very carefully he pushed the shifter forward until finding reverse & backed tentatively out of disaster. Mark & Zac slid down the hill into SS8 had 1 short winch but unsuccessful, running long only for the winch to shit it's self. Mark tried to drive it twice, in the end had had to call it. So to show off, he turned around gassed it up & drove out of the

rocky hill to the finish gate, which was meant to be a winch hill. Jason was quickly on the scene to help with repairs. I happened to see Barbie roll her pink patrol almost over on to its roof. It took some time to extract her, shaken but unharmed. She went on to finish the weekend. Jason also having problems on this section, breaking a tie rod end and a DNF was called. Ss 5 started with one nice little winch hill which soon became drivable & the times fell like the dual cab silver patrol that fell on its side in this spot.

(drivers side on film) they recovered only to put it completely ass up on SS4 where they once again righted the vehicle & hit the key. Finishing the stage just out of time. (this is the same vehicle that last year was brand new & took the left side out). I was on SS8 when I heard the familiar sound of the MTQ diesel revved up & on SS5. Their time was a winner. The end of another day. I believe all rocky cars still going and ready for Sunday. We all met at the Royal for the half way presentations & a good time.

SUNDAY

Typically everyone gets to walk the tracks & watch other competitors, with mixed feelings on SS9 I think 2 people drove the course, although many tried & where unsuccessful at the first hill. The Boab boys broke a steering component & a DNF was called. Duksy came out spluttering & broke the new plasma on the fist hill requiring some handy work from Robby Weller to use the winch extension to great effect. Coughing and splattering the course they didn't give up & finished with 2 seconds left. Jason found their problem to be a dead fuel pump. Unable to fix it but getting it going, they went out on SS10 to complete the course in time only to have to winch out of the finish box. Rocky boys finished Swaffy 2nd, Russell 8th, Mark 9th & Dusky 10th. Even the trip home was eventful with Duksy coming down with some sort of virus on Sunday arvo. Monday morning at the motel in the Gundi Carl & Brooke were left to drive my car, while I was forced to drive THE OTHER VEHICLE BRAND. (they'll never move me). I hope no one saw it! I suppose it went ok, for Rox's car. After getting home I found that at all but one of the Bundy Boys were sick & most of the rocky boys.

Damage:

Duksy – CV & 1 new winch plasma
Russell - 1 flat tyre
Jason – 1 external bead lock, 1 tie rod
Mark – 1 set winch gears
Swaffy – 1 loose diff
Billy – nothing
C.J – nothing

From,

Mick Wendt,

With thanks,

Brooke & Duksy

It was agreed, at the last Committee Meeting, to donate \$1000 to the Victorian Fire victims.

**IF YOU WERE HAVING HEART SURGERY,
WOULD YOU EMPLOY A PLUMBER ?
NO !!! YOU WOULD GET A SPECIALIST.**

**WE SPECIALIZE
IN 4WD'S**
PH: 4927 7170
Good Guys with 4WD's

The logo for 'The 4WD Repair Shop' is a white oval with a yellow border, containing the text 'The 4WD Repair Shop' in yellow and blue. The background of the advertisement is split into red and green sections.

A public meeting will be held Farnborough Beach, Yeppoon, 5th April at 11am. The rally is to highlight to the Minister, Mr McNamara, that the Central Queensland Community are still very passionate about keeping the access to the 3 Rivers Beach open and the access to the Orange Bowl left open as well. We also want to thank Mayor Brad Carter and the Rockhampton Regional Council for supporting us in this endeavour. The rally is also to highlight to the community the importance of the proposed management plan and the importance that we as a community have in helping to maintain the 5 Rocks and 3 Rivers area.

Please pass this on to all and sundry to get the word out.

Jeff Winter

GPS Run

Unfortunately this was postponed due to the weather. Mick Wendt would like to thank everyone for their support and will advise of a later dry date.

JOKE OF THE DAY.....

After 30 years of marriage Jacqueline and her husband Mark went for counseling. When asked to describe her problems, Jacqueline went into a passionate, painful tirade listing every problem they had ever had in the 30 years they had been together. She went on and on and on: neglect, lack of intimacy, emptiness, loneliness, feeling unloved and unlovable, an entire laundry list of unfulfilled needs she had endured over the course of their marriage.

Finally, after allowing this to go on for a sufficient length of time, the therapist got up, walked around the desk and, after asking Jacqueline to stand, tore open blouse with buttons flying everywhere, ripped her Bra off, starts tongue kissing while he embraces her, then puts his hands on her breasts fondled them, and kissed them passionately. A side glance at her husband he then puts his hand up her skirt rips her G-String off and fondels her wildly while her husband Mark watched with a raised eyebrows and mouth wide open.

Jacqueline flushed, tries to cover herself with the torn blouse, and quietly sat down as though in a total daze.

The therapist turned to Mark and said, now do you understand? 'This is what your wife needs at least three times a week! Can you do this?'

Mark thought for a moment and replied, 'Well, I can drop her off here on Mondays and Wednesdays, but on Fridays, I play golf.'

The Committee would remind everyone that Memberships are now due.

Nominations for Committee & Support positions are due 14 days prior to the Annual General Meeting, held 3rd March 2009.

**Only financial members are able to vote on these positions,
so please ensure that your membership is up-to-date.**

<http://www.cqoffroad.org.au/> is the path on the website for position descriptions.

NOMINATIONS CLUB OFFICIALS

Nominations for Club Officials are being called and are to be handed in **PRIOR** to the March 2008 Meeting. A copy of the Committee Positions roles has also been posted on the website under Documents and Forms

Duties

President

1. Preserve order, and conduct the meetings.
2. Organise the collection and return of the key for the monthly meeting.
3. Liaise with secretary and treasurer.
4. Ensure all committees and sub-committees function as required and that the committees report as required.

Vice-President

1. Stand in for the President when the President is absent from any meeting.

Secretary

Preparing For Meeting

Check minutes of last meeting, and pencil items for "Business Arising".

At The Meeting

1. Circulate attendance book.
2. Read the minutes and correspondence.
3. Take notes on discussion to assist in compiling minutes.
4. Note meeting's decision on correspondence.
5. Record all motions and amendments, irrespective of their fate.
6. Have a copy of all rules and necessary records.

Between Meetings

1. Write up the minutes as soon as possible.
2. Write all letters as directed by the committee.
3. Keep a register of correspondence.
4. Check mailbox regularly (at least once a week).
5. Keep the president informed of any correspondence requiring urgent attention.

Treasurer

1. Keep clear records of receipts and expenditure.
2. Pay accounts as instructed.
3. Present accounts to committee to be passed for payment.
4. Draw cheques for accounts passed, and obtain further signatures as required.
5. Prepare financial statements for each meeting, accompanied by bank statements.
6. Prepare Annual Report and Balance Sheet, and forward to auditor with account books, receipts, bank statements, etc, for inspection.
7. Present report and audited Balance Sheet at the Annual General Meeting (March), and move their adoption.

Trip Co-Ordinator

1. Organise the trip calendar. Ensure that the trip leader has allowed enough notice for pre-running and the approval of permits and booking of campsites.
2. Notify club members of changes to trip plans if for some reason they are different to what was decided at the previous meeting.
3. Ensure members and guests follow club by-laws.
4. Keep a record of all trips, including details of vehicles and attendees.

Public Liaison Officer.

1. Attend public meetings as directed by the committee and report back to the committee.
2. Liaise with Government departments as directed by the committee and report to the committee.
3. Attend (if possible) the QAFDC meetings and report back to the committee.

Editor.

1. Ensure that the newsletter is published and distributed monthly (except December).
2. Attend committee meetings to ensure that all relevant club information is included in newsletters.

GRAEME FILER
PRESIDENT & FOUNDING MEMBER

MEMBERSHIP CORNER
by James Holden

Thank-you to those existing members who have renewed their membership for 2009. This will ensure that you are entitled to vote at the AGM to be held at the Great Western on 3rd March.

Also welcome to the following new members who were accepted at the February committee meeting:

- 323 Andrew Slinko
- 324 Lachlan & Teresa Nelson
- 325 Greg & Kerry Hunt
- 326 Emily Hunt
- 327 Alan Prisgrove
- 328 Brett Fry

Each new member will be forwarded a Membership Pack with important information about the club shortly. Please take the time to read this information so that you are aware of your rights and responsibilities as a club member.

Membership cards will again be issued to all members in 2009. These will be distributed to existing members at the monthly meetings and included in the Membership Packs sent to new members.

Finally, remember if you wish to check/amend your personal details give me a call.

WHERE THE HELL IN CQ IS THIS?

Do you know the location where this photo was taken - if you do write your answer on a slip of paper and hand it to James Holden at the monthly meeting and you will be in the running to win a small prize. Last month's photo featured the Cattle Dip in Expedition NP.
